PROFESSIONAL SUMMARY

Full-Stack Developer with hands-on experience in building web applications using **HTML, CSS, JavaScript, PHP, and MySQL**. Practical exposure to backend development, database configuration, and basic **Laravel-based application architecture** through academic projects and internship work. Actively learning modern technologies, improving problem-solving skills, and seeking an **entry-level software development role** in a professional environment.

TECHNICAL SKILLS

Programming Languages: HTML, CSS, JavaScript, PHP, Python

Frameworks & Libraries: Laravel (Basic)

CMS: WordPress, Elementor

Databases: MySQL

Web Technologies: REST APIs (Basic)

Tools & Platforms: Git, GitHub, VS Code

INTERNSHIP

Web Development Intern

Academic Internship

- Worked on the development of an **e-commerce web application** under faculty guidance as part of an academic internship.
- Implemented frontend features and assisted with backend-related tasks, including basic **API usage and database interaction**.
- Gained exposure to backend technologies such as **Node.js** and understood the integration of a **Flutter-based mobile application** with backend services.

PROJECTS

Digital Marketplace Web Application

- Developed a web-based digital marketplace for **buying and selling** developer-related resources.
- Implemented backend functionality using **PHP and MySQL** with database-driven workflows.
- Built responsive user interfaces using **HTML, CSS, and JavaScript**.

AI Assistant Web Application

- Developed a web-based AI assistant capable of generating **text and images** using a third-party AI API.
- Implemented frontend logic using **HTML, CSS, and JavaScript** for prompt-based user interaction.
- Gained practical experience with **API integration** and dynamic content rendering.

Android WebView Application (Marketplace)

- Developed an Android application using **WebView** to provide mobile access to a web-based marketplace.
- Implemented basic navigation and UI handling for seamless web content display within the app.

EDUCATION

Bachelor of Technology (B.Tech) – Computer Science & Engineering

SR Institute of Management & Technology, Lucknow

2022 – 2026

Intermediate (12th)

Naval Academy Inter College, Kushinagar

2020 – 2022

CERTIFICATIONS

- Frontend Developer (React)** – HackerRank (Verified Role)
- Python (Basic)** – HackerRank (Verified Skill)
- SQL (Advanced)** – HackerRank (Verified Skill)
- AWS for Beginners** – Great Learning
- Google Play Store Listing Certification** – Google Play Academy
